Peabody High School
Peabody, Massachusetts

The class of 1970 dedicates this edition of the Meta to Mr. D. Edward Gorman, a man convinced of the sanctity of the individual. Some of us are not yet convinced. Many of us will fail trying to assert our individuality. All of us will be better for having made the attempt.

Dr. Dunnan

SCHOOL DEPARTMENT
PEABODY, MASSACHUSETTS 01960

LD W. DUNNAN
PERINTENDENT

Dear Graduates of the Class of 1970—

Your educational career has taken you from your beginning days in the primary school to your High School graduation. Undoubtedly you look with mingled feelings on both the past and the future.

The 1970's will prove to be a challenging decade. New spaces to explore, new areas to travel, and an opportunity to help provide a more meaningful life opportunity for all mankind.

You have had a good education in a fine school system, in an outstanding community. You will always remember your happy days in Peabody, your classmates, teachers and friends, and they will always remember you.

Good luck to you in the years ahead!

Sincerely yours,

Donald W. Dunnan
Superintendent of Schools

A black and white portrait of a middle-aged man with short, dark hair, smiling slightly. He is wearing a dark suit jacket over a light-colored shirt and a dark, diagonally striped tie. He is standing in front of a dark, paneled wall. The lighting is soft, coming from the front and slightly to the side.

Mr. Welch

PEABODY SENIOR HIGH SCHOOL

PEABODY, MASS.

WILLIAM A. WELCH, JR., PRINCIPAL

TO THE GRADUATES OF 1970

My sincere congratulations to each one upon completion of your secondary education and entrance into the next phase of your future.

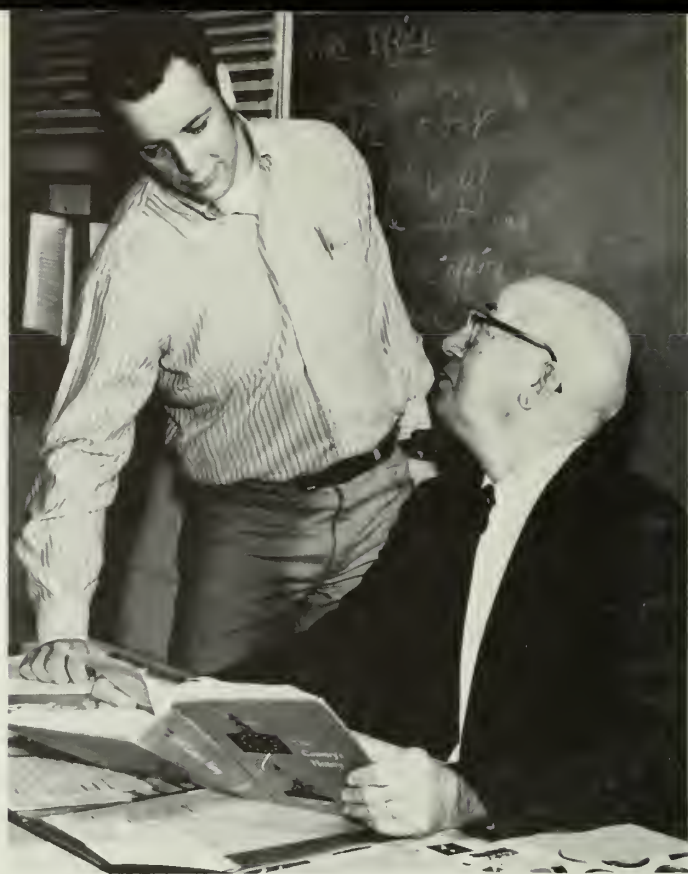

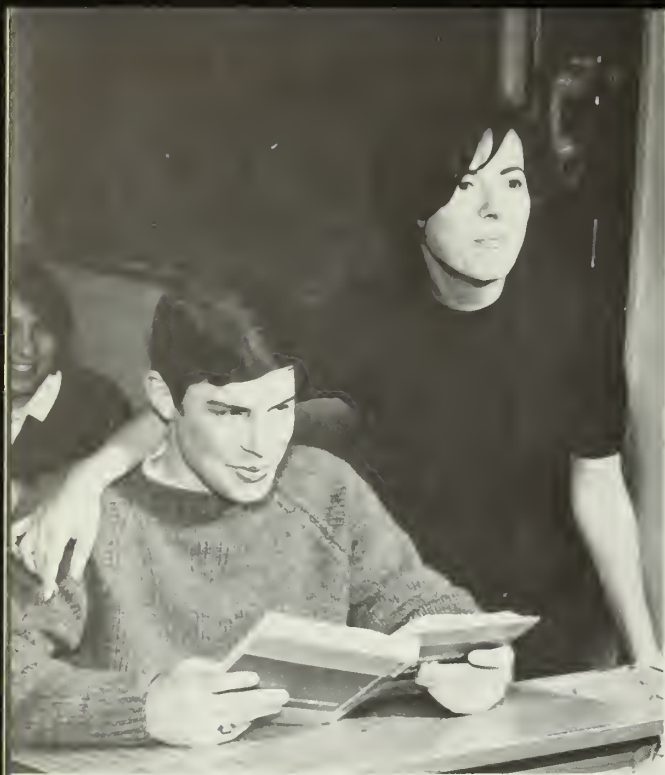

I know, you as the future America, will make us all proud to have been part of your preparation for the life ahead of you which I hope will be filled with Happiness, Health and Success.

I also feel you will accept your heritage as a challenge to be met with courage, determination, intelligence and service and that our country will benefit from the fruits of your endeavors.

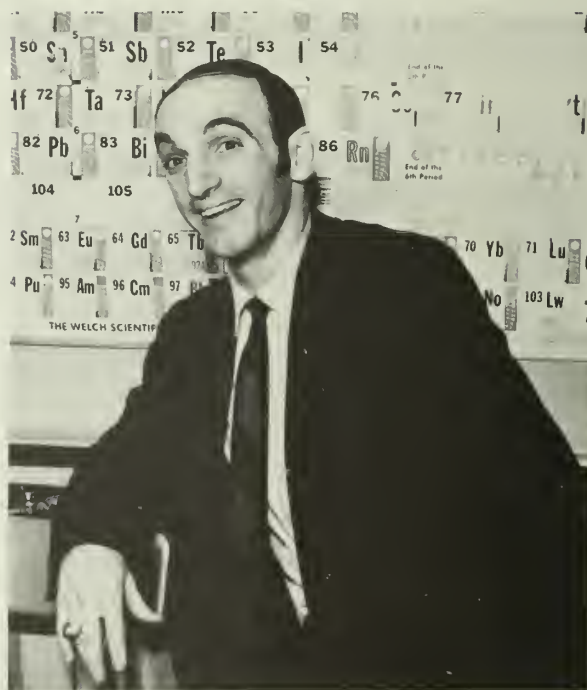

The pleasure of my association with you will always be one of my nicest memories as Principal of Peabody High School.

SPORTS

After a highly competitive season, the Tanners emerged victoriously. We defeated some of the best teams on the North Shore, and proudly accepted the title of Class A champs.

PHS WILL DO IT

Although unable to enter the Tech Tourney, the 1970 basketball team played with the spirit of champions.

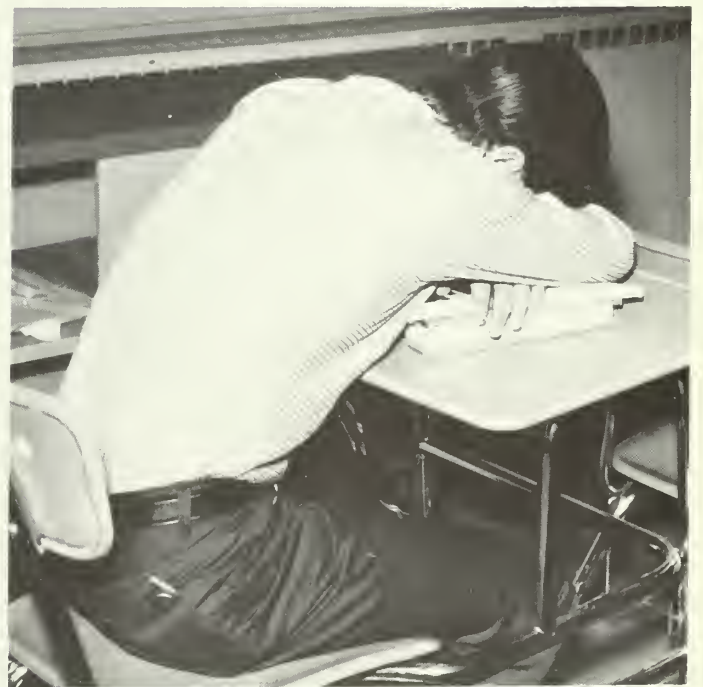

The victories scored by the 1970 hockey team were not always measured in goals . . .

Our Junior Prom was held on a warm May evening at the Colonial Inn.

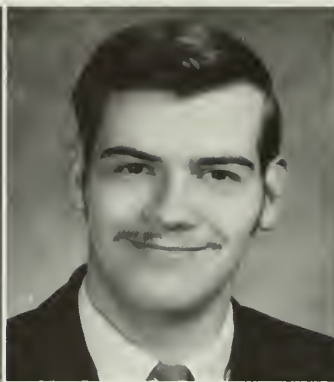

It was an exciting evening from the first few strains of music to the coronation of Queen Donna Stanton and the selection of her court.

VOCATIONAL

On a frosty December evening, we held our Christmas Ball at the beautiful Chateau de Ville.

For a few short hours, we were all far more mature and sophisticated than we could have dreamed possible.

The evening was climaxed by the coronation of Queen Judy Lomasney and the selection of her court.

The META staff wishes to extend a special thank you to Mr. Thomas Callahan for his help throughout the year. The long hours that were spent in revising endless pages is evident in the quality of the 1970 META. We would also like to thank Mrs. Judith Marcos for her help with the enormous amount of typing needed to complete such a project. Finally, we owe a special thanks to Miss Luz for her work on the financial section of the META. The efficiency with which our advertising campaign was run contributed largely to the success of the book.

Congratulations and Best Wishes
to the class of 1970

from the staff of

Gainsboro Studio
Photographers

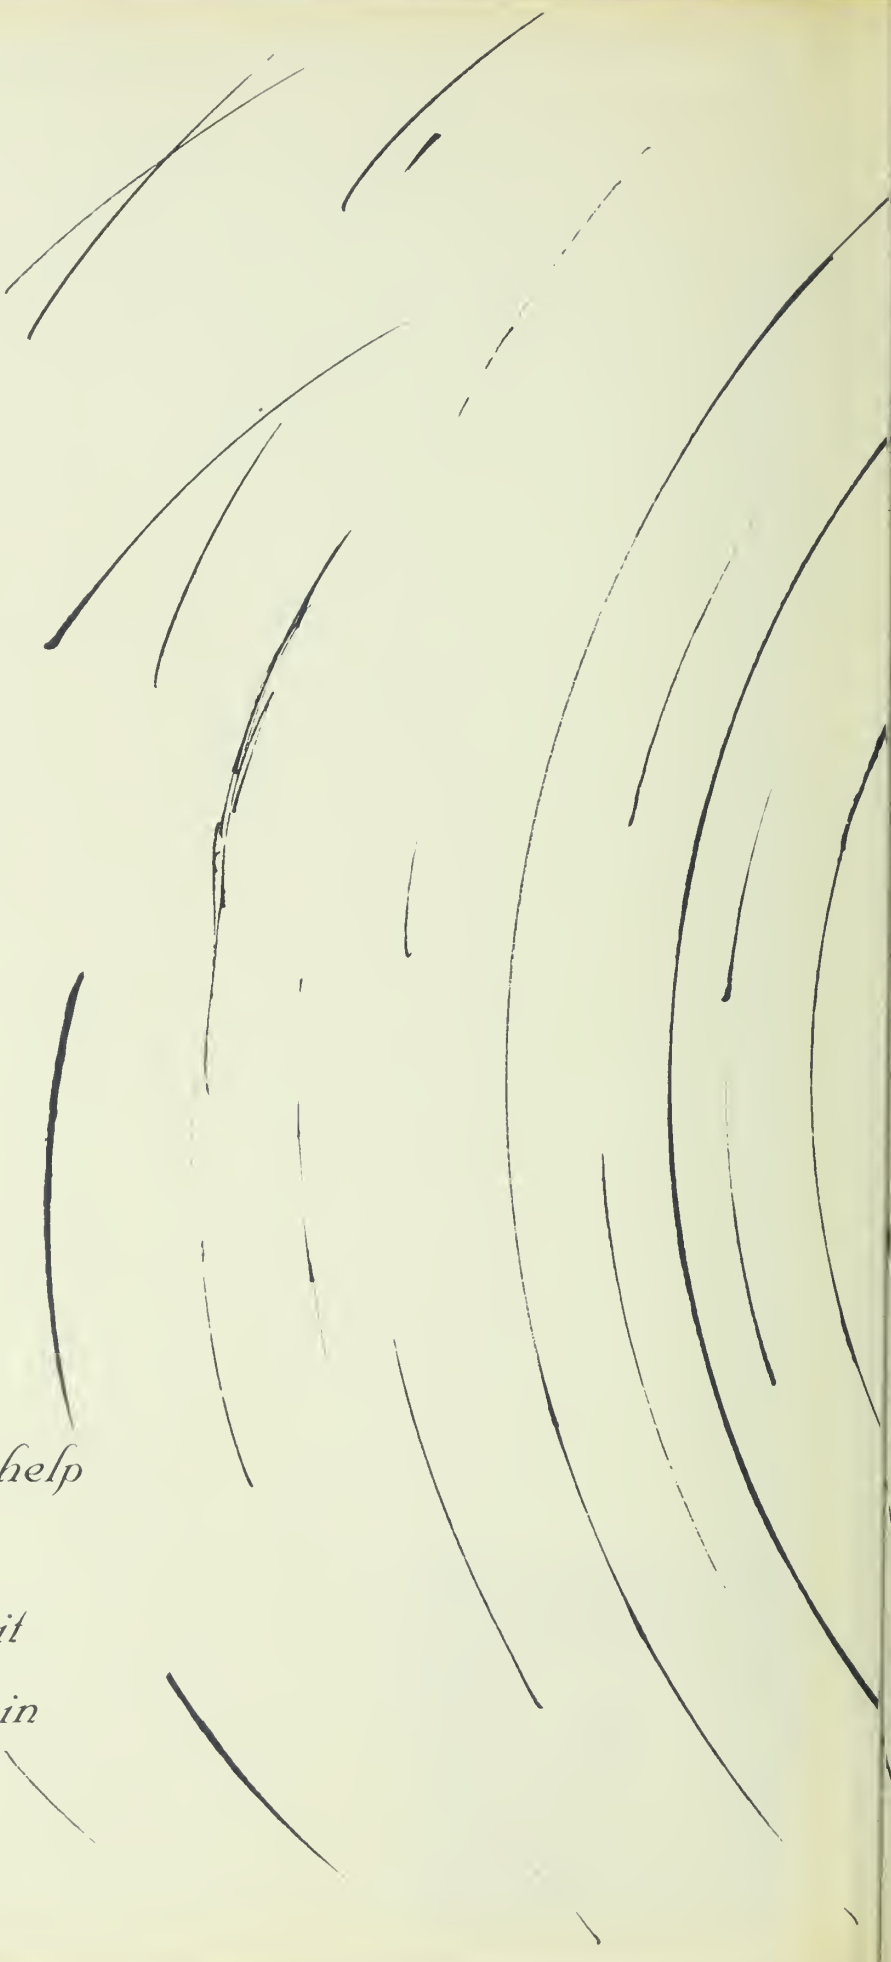

317 Essex St.

Salem, Mass.

The META staff wishes to express a special thanks to Gainsboro Studios. The Senior Class was given excellent coverage at all important events and the final photographic results shown in the preceeding pages speak for themselves. Without the cooperation given by the members of the Gainsboro staff, this book might never have been possible.

Autographs

A series of abstract, hand-drawn black ink lines on the right side of the page. The lines are mostly curved and sweeping, some starting from the top right and curving downwards, others more horizontal or slightly curved. They vary in thickness and some are dashed, creating a sense of movement and spontaneity.

*Only you and I can help
the sun to rise each
morning. If we don't it
may drench itself out in
sorrow.*

A. Camus
